AURA

Elaine Wagoner - Cafeteria

Lake opens the doors to all who wish to learn and regards true study as the gateway to progress in the future. Life is filled with different doorways, but it is up to the individual to choose the one to pass through. Lake provides an opportunity to receive a combination of pride, enthusiasm, involvement, individual struggle and teamwork to its students, preparing them for their goals in the future.

Change comes to all, and it has come to Lake this year. We at Lake feel we have come through many of our changes with flying colors. We have obtained a new cafeteria, band room, tennis court, stadium, asphalt drive, and a new school group, The High School Quiz Team. The staff hopes that the new teachers who have joined our Lake Faculty this year like our school as well as we do.

When you opened this book,
You unlocked the door,
For Lake High School
has many things in store.
So turn the key,
And flip the page.
Go peek through to
forget your rage.
And see what's in store for you!

In Memory of Paul Clark, booster, citizen, friend. These stands, now the visitor side, and Flyer field were added to the Lake High School facilities through community efforts so that Varsity football could begin in the Fall of 1960. Paul Clark spearheaded the drive that built and financed the stadium and personally maintained a keen interest in that project for the next decade.

It is fitting that this year when the stadium was almost doubled in size and other improvements were made—again through citizen efforts—that we honor Mr. Clark.

Varsity Shows Typical Flyer Spirit

RIGHT: Craig Snyder, Captain.

Compared to other area teams, the Flyers may have seemed young, small, and somewhat inexperienced. The team's various heights ranged from 5'9" to 6'4" and there were only four seniors out of the eleven team members; the others included two sophomores and five juniors. Out of the four seniors, only one was a returning letterman. These were the odds that our men had to battle against all season, along with the toughest schedule in the school's history. Four times throughout the season the team played two games in one weekend, not including the Holiday Tournament at Waite during Christmas vacation. Despite all of this, our team was characterized by the typical Flyer spirit, hustle, and fine teamwork; "WE'RE PROUD OF OUR MEN!"

Senior Grapplers Pull Through Their Final Season

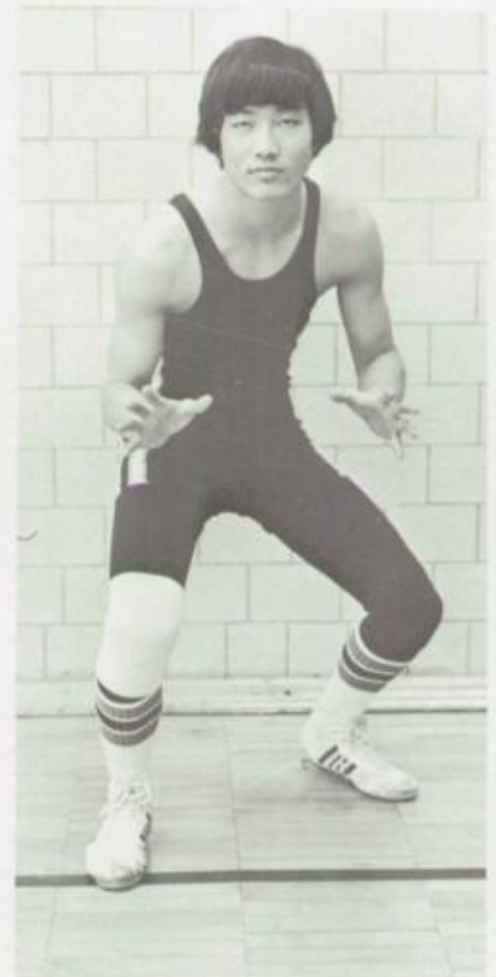

Lake's wrestling team competed well in this year's season; however, the Flyers did not have the strength in dual meets because of injuries of weight classes not filled. John Robinson had an amazing 67-9 3-year record with the state tournament still to be completed. 70% of Lake's victories were produced by the six seniors. Outstanding records were recorded by John Robinson (18-0), Kevin Blaksley (17-3-1), and Steve McPherson (15-7).

The Flyer hockey team had five players returning for their third season, six beginning their second year, and five starting their first season. The season opened with a game against Whitmer, who became second in the league. The Flyers improved defensively near mid-season, but continued to be frustrated in attempting to score. They allowed forty-four goals in the first half of the season, and only twenty-eight in the second, fourteen of those in two games, one of the better defensive records in the latter half of the season. There were only four seniors on the team. Mike Haynes and Joe Stagner improved steadily, and had become good defensemen by the end of the year. Jeff Martin made nearly five hundred saves during the season and was named All-League Goalie. Bob Chase and Gary Cox received Honorable Mentions at center and left wing, respectively.

Varsity Proves Baseball Can Be Experience And Fun

VARSITY BASEBALL TEAM: ROW 1: Gary Greenlese, Gary Hill, Milan Youster, John Nietz, Paul Heidebrink, Rex Remley. ROW 2: Mr. Fox, Ken Sheetz, Jim Ault, Don

Billings, Marty Mang, Randy Fox, Kevin Tornow, Doug Courter.

Richard Fox, Varsity coach, and Keith Imler, Reserve coach.

This year's Varsity Baseball Team gained a great deal of valuable experience. The seniors did a good job both on and off the field, helping the underclassmen. The win-loss record was not the best, but many things were accomplished. All players got plenty of playing time on the field, as next year will bring back six lettermen; this year's team consisted of six seniors, four juniors, and two sophomores. Coach Fox stated that, "when you're not winning, having fun playing is very essential, but this team never gave up, no matter what the odds."

The Varsity Track Team completed an outstanding season this year, breaking and/or setting ten school records, and sending one team member to the state finals at Columbus. The team consisted of seven seniors, thirteen juniors, and seven sophomores; twelve of these were returning lettermen. The team's most improved player was Dennis Rudzinski, and the most valuable player was Mark Beck. The 1974 team had the distinction of having two NLL champions (John Robinson, 180 yd. low hurdles; Mark Beck, 2 mile run), two district participants (Dennis Rudzin-

ski, 220 yd. dash - 6th place; Mark Beck, 2 mile run 3rd place), and one state qualifier (Mark Beck, 2 mile run, with a time of 9:44.2). At its own invitational, Lake placed second, was third out of six teams in the NLL meet, third out of twelve teams in the sectional meet, and twenty-third out of thirty-six teams in the district meet. These fine records, plus the team's regular season record of ten wins and two losses, proved that the school could be extremely proud of these young men and their coaches.

Golfing Seniors Aid Team To Best Dual Meet Record Ever

Jeff Martin

Mark Wells

Lake's Golf Team showed a lot of promise with two juniors and six sophomores helping seniors Jeff Martin and Mark Wells to the best dual meet record in the school's history. Jeff Martin was selected as the most valuable golfer and Scott Summers the most improved golfer by their teammates. Scott Summers, with a score of 79 in the sectional tournament, became the first golfer in fourteen years to qualify for the district tournament from Lake. The team's overall season's record was eleven wins and six losses; they placed 4th in the Hidden Hills Invitational, 6th in the Sectional Meet, 9th in the GNC Meet, and 4th in the NLL Meet.

ACTIVITIES

Homecoming Queen And Court

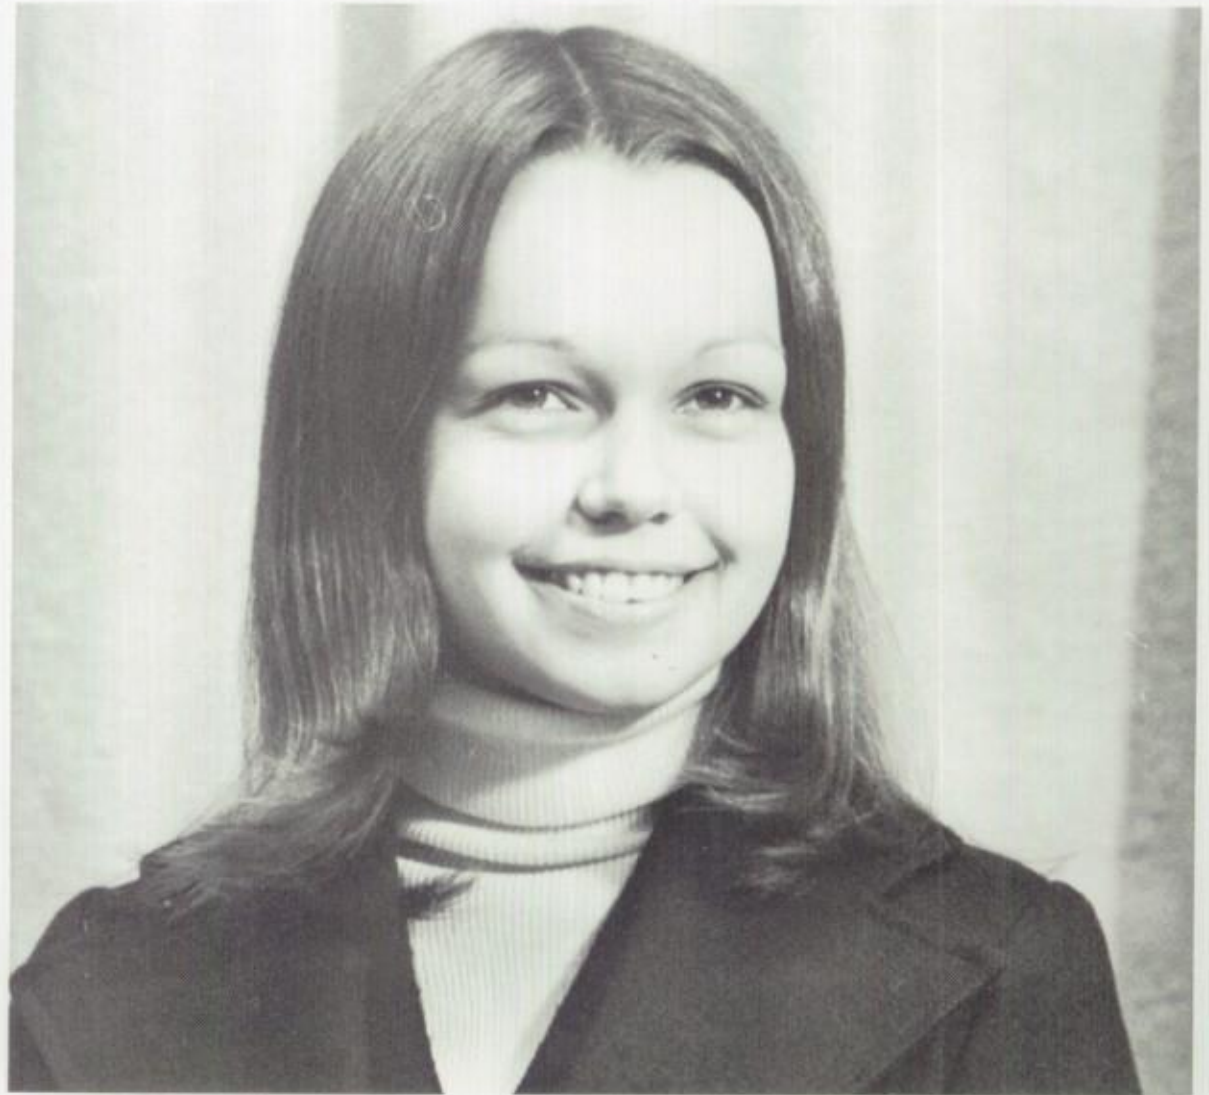

On October 5, at a homecoming assembly, the 1973 homecoming queen and her court were announced after the high school students had voted the previous week. After the announcement and the crowning ceremonies, members of the Pep Club presented several skits.

That evening at the game against Huron, Cyndie Chapman and her court were presented to the crowd and driven around the football field in convertibles. The entire homecoming, topped off as the Goodyear Blimp drifted over the bleachers, was a memorable event.

Kaye Bertok—Second Attendant

Deb Schlea—Third Attendant

Dawn Shaw—Fourth Attendant

A loss on the field, but not in spirit occurred on October 5, the night of the homecoming game against Huron. The team tried to keep the ball at their end of the field, but they failed to hold Huron back.

Smile

The Homecoming Festivities Of 1973

On Saturday, October 5th, couples drifted slowly into an imaginary park filled with celebration, music, and smiles. The sounds of Down Home transformed the room into a stomping square dance then to a slow, romantic waltz and back again. Cyndie Chapman and her court reigned over a "Saturday in the Park" that was a highlight of the 1973 homecoming weekend, not soon to be forgotten.

HOMECOMING COURT: Deb Schlea, Joe Stagner; Dianne Avers, Marty Mang; Cyndie Chapman, Bill Gibel; Kaye Bertok, Tom Eckermann; Dawn Shaw, John Robinson.

SA URDA IN THE PARK

The "Crystal Ball" Revolves Over The Evening

On the evening of January 19th. many people attended the annual winter dance entitled "Crystal Ball". The couples square and slow danced to the music of the Starlighters. And the evening came to a perfect ending with the acknowledgment of the 1974 queen and court.

SNOWFLAKE COURT: Betsy Littlefield, Junior Attendant; Dianne Avers, First Senior Attendant; Cyndie Chapman, Queen; Nancy Guthrie, Second Senior Attendant; Lora Boyd, Sophomore Attendant.

Old-Fashioned Christmas Dance Scene For Jr. High

Queen—Cindy Campbell, King—Gary Akenberger

On December 15, 1973, many couples came to an old-fashioned Christmas dance to spend the evening.

The dancers whirled around the floor, square dancing to the music of the Dick Schnell Combo.

The student body also chose royalty for this occasion, they were: Queen—Cindy Campbell, King—Gary Akenberger, 1st. attendants—Christie Everhardt, Mark Carr, 2nd. attendants—Brenda Damron, Tim Ault.

1974 Junior-Senior Prom

..... *"Stairway To Heaven"*

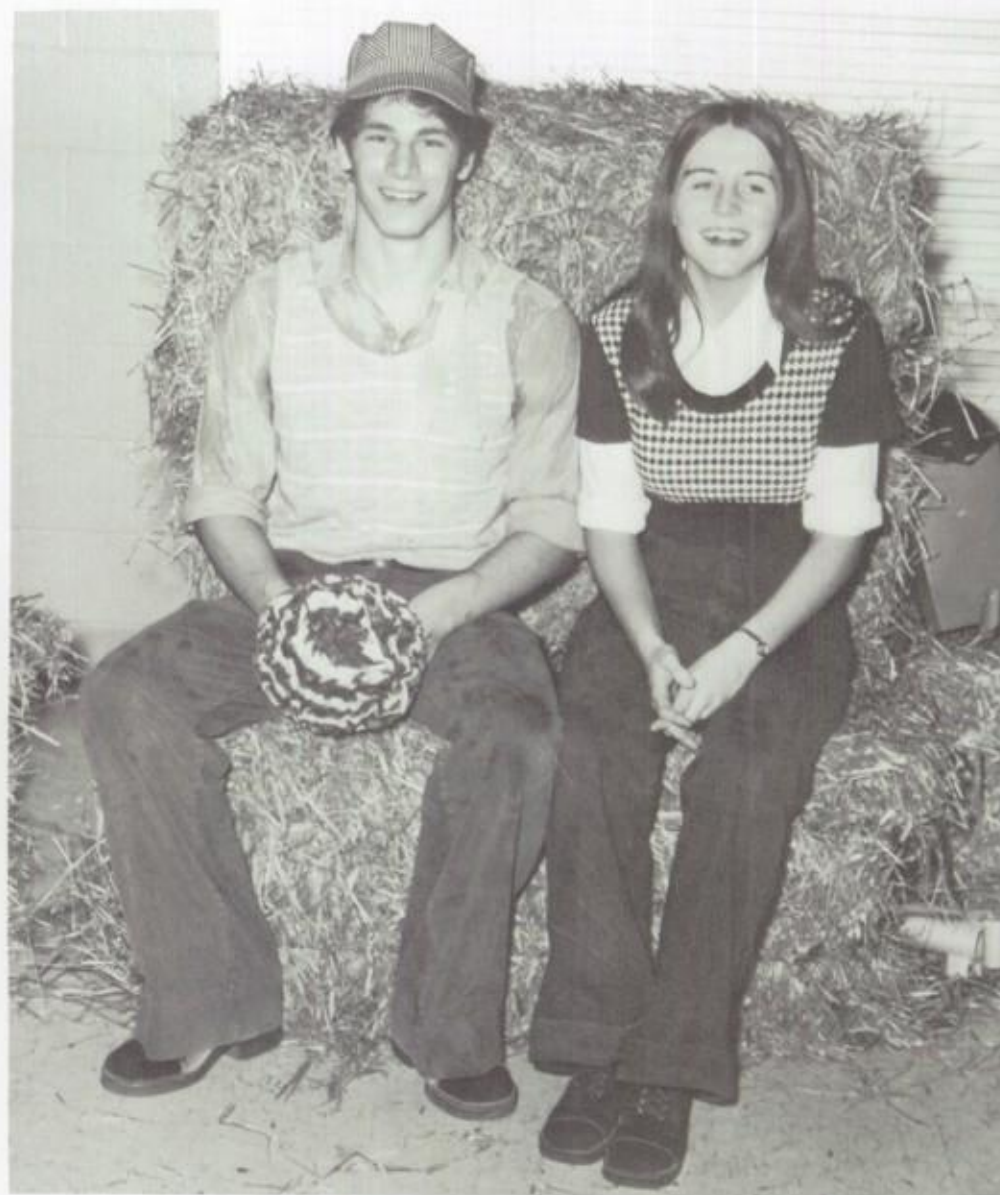

On May the 10, 1974, the Junior Class of Lake High School presented the graduating Senior Class with the Spring Prom Dance "Stairway to Heaven". The President of the Junior Class, Ken Sheetz, worked hard to make it possible for the Prom to become a great success.

The Senior Class of '74 wishes to express their thanks to Ken and the Junior Class for a memorable evening.

Backwards Dance Draws Over 115 Couples

The annual Backwards Dance, sponsored by the G.A.A., was held on March 15, 1974. The theme, "Barn Dance," was easily established by the informal dress and the numerous bales of hay. King John Robinson, escorted by Dawn Shaw, reigned over the festivities.

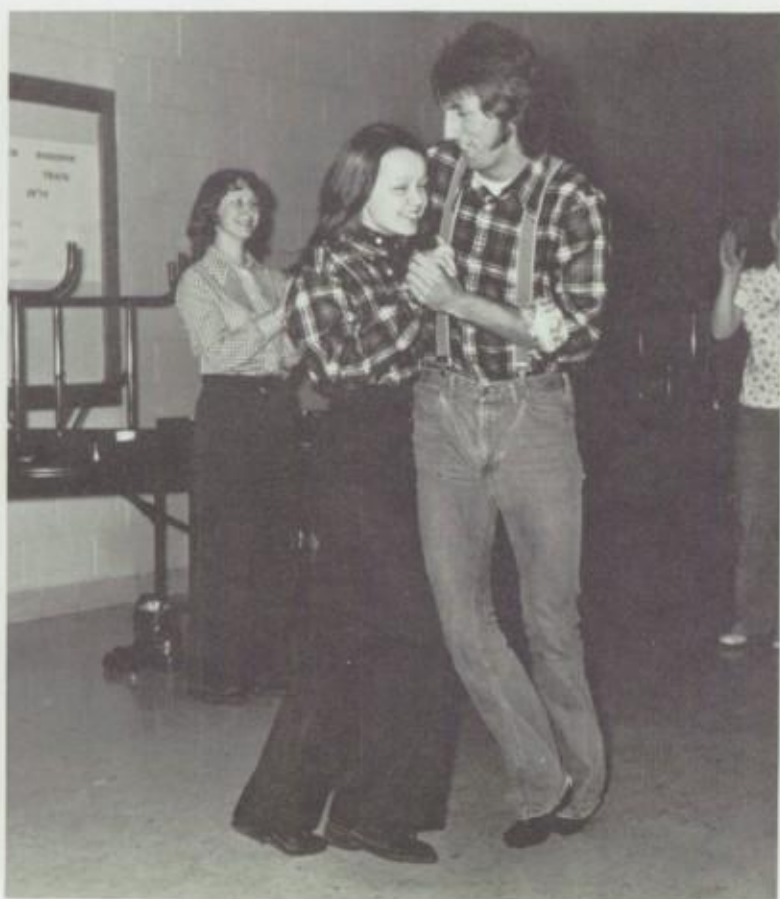

Boogie, rock, and square dance music provided by "The Westerners," and several relay games made for an evening of good, old-fashioned fun. Additional entertainment was provided by the musical talents of Ken Gullett and Mark Poolman.

"You're A Good Man Charlie Brown"

Lake High School's Annual Class Play

On February 1 and 2, the Theatre Class, under the direction of Sara Foreman, gave their production of the off-Broadway musical, "You're A Good Man Charlie Brown." The play was also given for the high school, junior high, and elementary schools in the Lake system.

The show was a successful version of all the members of the Peanuts Gang who sang, danced, and acted and had fun performing for all.

UNDERCLASSMEN

"Seventh Grade Start Their Climb"

SEVENTH GRADE CLASS OFFICERS: Treasurer; Kris Livingston, Secretary; LeeAnn LaBuda, President; Dale Carr, Vice President; Sandy Davis.

The seventh grade start their climb, and in doing so, have shown much enthusiasm in their effort to become outstanding students. They've shown their talent not only scholastically, but also in athletics.

With a taste of high school life, they blossom into citizens of the future, ready to face whatever crosses their path. May the path they choose help them see their goals more clearly.

They struggled through the halls with their beloved biology books, history books, and a stack of assignments and witnessed Homecoming for the first time.

Then came May. Class rings were ordered and the sophomores were ready for another year with a feeling of confidence achieved.

MOTTO:

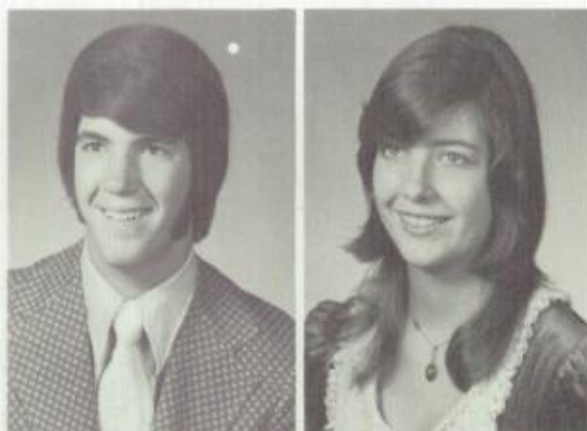

If you can't be a highway
then just be a trail.
If you can't be a sun
be a star.
It isn't by size that you win
or you fail.
Just be the best of whatever
you are.

Our last year in those crowded halls of Lake High School, has quickly faded away. It has left us only memories, the good and some bad.

Standing now on the road to the future we must make wise use of our various talents and potential in order to make a better world for ourselves.

To Be Best, Strive!

Graduation—Final Step Of The Year

On Sunday, June 2, 1974 the Class of 1974 was honored with the 63rd Annual Commencement Exercises. Rev. Mervin Matteson of United Methodist Church, Woodville, delivered the class sermon and John Robinson and Mike Rhuland gave the class responses. It was a time of mixed emotions, joy, and sadness, for all involved.

Sunday, June 2, 1974—2:30 P.M.

ADMINISTRATION AND FACULTY

Superintendent And Board Of Education.

Senior Class 1974

What does your future hold?

The Space Age Era! Since birth, you have lived with manned sub-orbital, orbital and lunar space flights. To you these flights are as commonplace as the jet airplane. To your parents or grandparents, they are scientific and technological marvels; marvels inconceivable during their lifetime. What marvels do your futures hold?

You have just completed a basic education prescribed by law. Now begins your real education when the potpourri of life demands decisions made by you alone. These decisions will affect your future. Actuary tables indicate you have lived only one-fourth of your life. It is impossible to prognosticate the many marvels your remaining three-fourths lifetime will bring. What does your future hold?

Contemplate the achievements in the decade of the 60's and remember you have over five decades ahead in your lifetime. Most important is being able and willing to adapt to your future. Strive for stability with flexibility in your life and make the most of the opportunities afforded to you.

Mr. Craig Goddard, Superintendent of Lake Local Schools

LAKE BOARD OF EDUCATION: SEATED: Mr. Irwin Welling, vice-president; Mrs. Donna Snyder, clerk; Mr. Robert Kapp, president; STANDING: Mr. Richard Eckermann, Mr. Kenneth Russell, Mr. Richard Baumbach.

ABOVE: Mr. Richard Lieb, Senior High Principal

ABOVE: Mr. Spencer Gilchrist, Assistant Principal and Athletic Director

Lake Students and Friends:

While a yearbook is dedicated to recording the activities of the school year for all students, it usually is aimed at giving special honor to the graduates. Therefore, these comments are directed largely to the Class of '74.

You have seen the steady growth of Lake High School more than any other class. The curriculum has expanded from a few extra non-required courses to dozens of electives in many departments. Class size has increased from about 150 in each class to over 200. The building has been expanded twice—the library and second floor were finished when you were seventh graders and the addition to the cafeteria and music rooms this last year.

Our sincere hope is that we have prepared you for a rewarding life. Good Luck.

Richard Lieb, Senior High Principal

ABOVE: Mr. Richard E. Sanderson, Junior High Principal.

This school year could be labeled as the "year of the textbook". With the implementation of new science texts, we have updated course content and are now in the process of purchasing student laboratory kits in an attempt to make science more relative to students. Another objective is to add semester subjects and where possible nine weeks or "mini" courses. Eighth grade speech and art are additions to the curriculum.

R. E. Sanderson

Counselors.

Director of Guidance and Jr. High Counselor-Mr. Richard Washeck, M.A. University of Toledo

Mr. Washeck believes that guidance is the process of helping individuals achieve self-understanding and self-direction to make maximum adjustment to school, home, and community. Activities should assist each pupil in knowing himself as an individual, in making the most of his strengths. For a career; guidance counselors should help the student learn about educational opportunities available to him.

Junior and Senior Counselor-Mrs. Rella Oxley B.S. West Texas State University, M. Ed. University of Huston

Mrs. Oxley provides individual guidance and counseling in the educational, personal, social, and vocational areas to Lake students. Services include assistance with personal social, and emotional concerns to better help each student understand his strengths and limitations so that realistic goals can be set and attained.

Sophomore and Freshman Counselor-Mr. John Szabo, M. Ed. Defiance College, University of Toledo

Mr. Szabo believes that he should help by guiding and planning activities that will help ninth and tenth grade students to know themselves as individuals.

During the tenth grade, students face educational decisions that will never be presented to them again. It is important that each student know his own abilities and aptitudes so that he can make the best choices.

who needs more power plants anyhow!

You do.

If you want to use the products you own today and will own tomorrow. Most are powered by electric energy.

If you want to work. Every job requires the use of electricity in some form.

If you want to live in a quality environment. Most pollution control equipment runs on electric power.

You need power plants . . . for all your wants.

May Sr. girls not be forgot,
For all their pep and cheer,
And may we keep within our hearts,
Their friendship close and dear.

For they from us are soon to part,
And go their separate ways,
But may we long remember them
And all our fun-filled days.

Keep golden memories within your heart
 To draw upon when days are cold and
 bleak
 Hold them like cherished things . . . set
 them apart
 From things you would forget and never
 seek
 These golden memories will keep you
 warm.
 So hold them dear and help each one
 survive
 The heartless cruel stress of each day's
 storm.
 All fragile things need love to stay alive.

Roy Z. Kemp

Another Year Has Passed . . .

The yearbook staff and I hope the memories in this book will stay with each one of you for the rest of your lives.

So on a cold winter's night, when the children bring out your yearbook from the bookshelf and find *your* picture, you'll be able to tell them of the times when you made the final touchdown to win the game, went to the prom, or stacked a friend's locker.

I know seniors will have mixed emotions about graduation, but I'm almost sure at one moment in the past years they felt a twinge as another year passed by.

Underclassmen, we wish you the best years in school and hope you make the most of them.

Also we wish to thank our sponsor, our advertisers, the administration, faculty, student body, and parents for the time, effort, and money put into presenting this element of time.

Sincerely,

Amy Siewert
 Editor-in-Chief
